Welcome: Ryan

Intro new exec committee - Renee, Maria, Jessika, Heather
Motion to approve Jessika & Heather to Executive Board: Erin
2nd: Molly Hawkins
Passed unopposed

20-21 Budget Presentation & Submission: Jacob

Major difference - no in person auction event
still planning in person carnival
overall 60% decrease in revenue this year, offset by expense reductions - copies, talent show, spaghetti dinner, COSI event
did prioritize teacher stipends
Ryan: to clarify, this is in line w/ district requirements (no volunteer or vendor events). It could change, and in the meantime we are open to proposals/requests for things like virtual talent shows. Note that Angela and upper and lower school teachers gave input into budget
Q: what's impact to 6th grade special events/experiences? A: 6th grade budget cut by \$1K. No field trips currently (first half of year), last year's 6th graders raised a lot of money so not anticipating the cut will be a big impact. Last year we cut 1K and brought it back b/c there was a request, and extra budget available in the spring.
Motion to approve: Jacob
2nd: Jeff Sucharew
Approved unopposed
