6th Grade Budget Background: Chandler

6th grade request for amendment to budget - \$1500 increase
when we redid the budget this year, it wasn't intended to be a punishment to any group (6th grade) - cuts had to be made
brought it to June meeting, put it out online/email, voted on August, passed w/ no questions/comments
People are now upset this happened - but it's not new news - publicly calling out on FB and in other forums
(post on 5th grade page - CTA to parents to come out & support 6th grade so this doesn't happen to you)

Request to amend 6th Grade Budget: Amy Parks Ealy

Went from \$6500 to \$5000 this year. Big expenses: 2 chartered bus trips. Students had input into the activities, were given fundraising responsibilities. Brought in \$3K in candy bar sales. Camping trip = \$130/child. Spring bus trip to Columbus estimate came in higher than expected, at \$3600.

CD: Is it refundable? APE: Except for deposit, we don't pay until we go. ACF: Working as a district with vendors for contingency plans/refunds/cancellations re: coronavirus.

APE: Looking at early May.

APE: Move to amend the budget to \$6500, from \$5000

Motion to cancel dinner: Libby Frank

LaToya: 2nd

Motion passes

KGT talent show - Youngwon French

Would prefer to move to May - would need to move contracted sound engineer

May 1 or May 15 are open

RWM: following district guidance

5K - Patrick Byrne - KSB

If we cancelled we'd only be out \$250 today; another \$500 or so in another week for permits, etc.

Option - can move it to a different date - but would prefer to have it connected to carnival

Won't start advertising 5K until after Carnival committee next week

Carnival - Libby & Kimetha & Andrea

We can sit on these for a few more weeks

Issue: raffle. It's the main fundraiser for carnival. Health concerns of physical raffle ticket sales. Do we ask parents to just write a check in lieu of raffle and basket tickets?

Looking at MembershipToolkit (PTA website) to solicit online donation

Possible issue: sponsors - 5K shirt

Kimitha - at work (airlines) people are not showing up/attending events.

Option: do a scaled down carnival in August, separate raffle from carnival

Timing for decision - \$1200+ in deposits by end of month - BOE meeting 3/20.

RWM: table discussion - call Carnival Committee meeting on 3/18 - collaborate with KSB

Now: need to decide on raffle

Could run carnival over summer or as back to school

8:00pm: Ryan: Move to adjourn; LaToya: 2nd
